**8th World Ayurveda Congress & AROGYA
14-17 Dec 2018, Ahmedabad, Gujarat**

It is great pleasure to learn that the 8th World Ayurveda Congress & AROGYA Expo (8th WAC & AROGYA) is scheduled at Ahmedabad from 14-17 Dec 2018. This edition of the WAC is being organised by World Ayurveda Foundation with active support from the Ministry of AYUSH, Govt. of India.

As you are aware, the World Ayurveda Congress (WAC) is a global platform for showcasing advances in the field of Ayurvedic research, education and practice. The Congress brings together the scientific and teaching community, leading practitioners of Ayurveda, the faculty and students of Ayurvedic colleges and other important stakeholders. With the participation of the entire Ayurveda fraternity from across the globe, the scientific veracity of Ayurveda will be convincingly established and will have great impact on the research and education related to Ayurveda.

I am told that the 8th WAC will hold 5 plenary sessions, 96 parallel sessions and a huge number of poster presentations, complemented by a series of associated events. This edition will have participation of more than 5000 delegates including 400 foreign delegates representing over 40 countries, which will greatly help in propagating Ayurveda globally.

The AROGYA Expo 2018 associated with WAC is expected to have participation of over 400 AYUSH companies apart from Govt and Semi-govt. organisations from across the globe.

In view of the above, you are requested to issue a circular encouraging the students and faculty to register for the Congress as delegates. Delegate registrations can be done online at www.ayurworld.org.

I invite the attention of Deans, Principals, Management, HODs to ensure the attendance of students and faculty in this unique Congress.
