WORLD AYUSH EXPO 2019 & AROGYA

Rasashastra Sambhasha 2019

Date: 24th August 2019 | Time: 9:00AM to 5:00PM
Venue: Cidco Exhibition Center, Vashi

Rasashastra may be defined as the science of Ayurved pharmaceutical preparations containing inorganic substances such as Metals, Minerals and Animal products. Unlike most herbal medicines, which can be readily used in medicine preparations (except Visha Dravya, which need specific Shodhan), the inorganic substances need to undergo elaborate procedures of Shodhan, Maran etc. before they can be used in medicine preparation. These procedures undoubtedly are time consuming and demand expertise.

Though the Rasaushadhis have properties of being fast acting, palatable and small dosage, if the procedures are not followed religiously, they may have harmful effects.

The need of standardisation in Rasaushadhi preparation is of utmost importance. Standardisation procedures need to be followed right from first step of raw material collection to the final step of production of medicine. All these necessities for Rasaushadhi preparation are fulfilled at Shree Dhootpapeshwar Ltd. with more than 145 years of experience in Aushadhi Nirman, Authentic, Standardised, Safe and Efficacious medicines are produced continuously.

Shree Dhootpapeshwar Ltd. has always been active in propagation of Ayurved. Rasashastra Sambhasha was incepted in 2015 as an Indo Srilankan forum for exchange of views and sharing of experiences in the science and practice of Rasashastra. Shree Dhootpapeshwar Ltd. is pleased to announce the hosting of their first edition of Rasashastra Sambhasha in India.

This forum would facilitate an exchange of ideas and thoughts on various facets of Rsashastra among the scholars and clinicians of our country.

Introduction

Greeting and best wishes from World AYUSH Expo 2019 and Arogya and YMT Ayurved Medical College Kharghar, Navi Mumbai.

We are very pleased to write to you that the World AYUSH Expo 2019 and Arogya - "Nagarjun national workshop" will take place in Department of Rasashastra and Rhoichajyakaipana, Dr.G.D.Pol foundation Y.M.T Ayurved medical college, Kharghar Navi Mumbai. The main aim of the workshop is to develop interest in different areas of ayurvedic herbometallo-mineral formulations. This Workshop will impart knowledge of various aspects, views, issues regarding our ancient treasure of herbo-metallo-mineral formulations, which will be utmost beneficial for PG students, Ayurvedic practitioners, as well as disciples of Ayurveda.

Nagarjun national workshop is going to be conducted for 2 days and which will act as a platform for dissemination and concretization of knowledge of different topics such as ancient ayurvedic formulation, new dosage forms, Pharmacovigilance, Rasaushadhis in clinical practices, Safety and Toxicity issues of rasaushadhis etc. The participants will be also benefited with demonstration on pottali, kupipakwa rasayana, new dosage forms and cosmetics.

Hereby we appeal to all the practitioners, PG Scholars, Teachers, UG students to participate in this workshop.
