## Message

Dr S. R Rajasthan Ayurved University , Jodhpur, is the first AYUSH University in India, dealing with the academic, research & clinical activities and propagating AYUSH activities, since last 14 years. The PG Department of Shalya Tantra is going to organise **Two Days National Seminar/workshop on Recent advancements in Kshar karma WSR to Ano Rectal Disorders.**

I hope this seminar will be provide useful knowledge to co-operate the ancient wisdom and modern scientific knowledge. My heartily best wishes for the success.

**Prof. (Dr) RadheyShyam Sharma**  
Vice-chancellor

## Introduction:

*Sushruta has mentioned different methods of management of diseases, such as Bsheshaja karma, Kshara karma, Agnikarma Shastra karma and Raktamokshana. The approach of Ksharkarma has been mentioned in the context of diseases. Kshara karma has been explained as one among the anushastras. Almost all ayurvedic classics have described the use of ksha rkarma in curing different disorders. Kshar karma does not allow the diseases to reoccur, once they are treated by it.*

*Kshara karma (application of Pratisaraneeya kshara), It is a non-surgical procedure of Ayurveda indicated for the management for various diseases. A medicine (phyto alkali) derived from a combination of various herbs is applied for various unwanted growths. It is a type of chemical cauterization. The superiority of kshara over sharp instruments (sastras) and accessory sharp instruments (anusastras) has been mentioned in Sushruta Samhita. Alkaline preparations should be externally used in such skin diseases like Psoriasis, Taeniasis, Vitiligo, Non-lepromatous lesion, Fistula in ano, Tumor, Non-healing ulcer, Sinus, Exfoliative dermatosis, Mole, Non-elevated mole, Localized hyper pigmentation of skin, Nevus, Abscess and Hemorrhoid. It is an ambulatory treatment modality and affordable to the common man. Keeping these facts in the view the P.G. Department of ShalyaTantra is going to organize **Two Days National Seminar/workshop on Recent advancements in Kshar karma WSR to Ano rectal Disorders On 15<sup>th</sup>-16<sup>th</sup>December 2017.***

Scientific Papers are invited from the academicians, scholars, research scholars from different fields.

## About Jodhpur

Jodhpur is the second largest city in the Indian state of Rajasthan. The city is known as the "Sun City" for the bright, sunny weather it enjoys all the year round. It is also referred to as the "Blue City" due to the vivid blue-painted houses around the Mehrangarh Fort. Jodhpur lies near the geographic centre of Rajasthan state, which makes it a convenient base for travel in a region much frequented by tourists. Jodhpur's attractions include Mehrangarh Fort, Umaid Bhawan Palace, Jaswant Thada, Ghanta Ghar (Clock Tower) and Flying Fox [Mehrangarh Fort]. Tourists can make excursions to Mandore, Kaylana Lake and Garden, Balsamand Lake, Sardar Samand Lake and Palace, Masooria Hills, Veer Durgadas Smarak (monument, park and museum), Bhim Bhirak Cave. This city is now growing as an educational hub with new Universities/ Institutes & Dr S R Rajasthan ayurved University is one of them.

## Aims & Objectives

- ✓ To make aware to the Ayurveda and non-Ayurveda academicians, professionals and research scholars about ayurvedic shalya karm especially kshar karma.
- ✓ To update the knowledge of current Good kshar Practices to Ayurveda and non-Ayurveda academicians, professionals and research scholars with special reference to anorectal disorders
- ✓ To provide technical assistance to revitalize and strengthen Good kshar Practices making them as prominent medical streams in addressing the health care of the society.
- ✓ To prepare update documentation on the Good kshar Practices.

## Scientific programme:

- a) Invited guest lecture.
- b) Paper/poster presentation
- c) Quiz competition for PG scholars. (Sushruta samhita).

## Weather

Weather is pleasant during the month december.
